

# Accessibility Statement for Mary's Kitchen

This is an accessibility statement from Mary's Kitchen.

## Measures to support accessibility

Mary's Kitchen takes the following measures to ensure accessibility of Mary's Kitchen:

- Integrate accessibility into our procurement practices.
- Employ formal accessibility quality assurance methods.

## Conformance status

The [Web Content Accessibility Guidelines \(WCAG\)](#) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. Mary's Kitchen is partially conformant with WCAG 2.1 level AA. Partially conformant means that some parts of the content do not fully conform to the accessibility standard.

## Additional accessibility considerations

“Although our goal is WCAG 2.1 Level AA conformance, we have also applied some Level AAA Success Criteria: Images of text are only used for decorative purposes. Re-authentication after a session expires does not cause loss of data. Some videos may not have sign language interpretation.”

## Feedback

We welcome your feedback on the accessibility of Mary's Kitchen. Please let us know if you encounter accessibility barriers on Mary's Kitchen:

- Phone: (714)633-0444
- E-mail: [gsuess@maryskitchen.org](mailto:gsuess@maryskitchen.org)
